BY CARLE

the railhead for the Kummersdorf training grounds, a troop build-up is taking place in East Germany. Three additional divisions as well as many very heavy artillery pieces are said to have arrived in East Germany during the period of 5 to 22 January.

Comment: This information is believed to be false; it may have been planted in order to obstruct, if acquired by non-intelligence organizations, the ratification of the Paris Agreements and West German rearmament. The Soviets, by planting a series of patently false reports, may also be attempting to conceal an actual future build-up.
